

Best High End Home Builders In Sydney

CPT Interiors & Construction is an award-winning building company in Sydney, established for over 25 years. We are high end builders specialising in residential building

projects, luxury renovation projects and commercial building renovations. CPT's continued success has been attributed to not just our professionalism but also our commitment to 'on time' completion of projects, specialist tradespeople, attention to detail and a proven past record of successful delivery of projects. CPT's services always remains focused on you and what you want from your project. All works are strictly supervised by CPT's exacting and experienced site foremen. Our site foremen take a hands on approach to all builds and have a genuine love for the job.
